DAVIS COLLEGIATE PANHELLENIC ASSOCIATION

Who are we?

The Davis Collegiate Panhellenic Association (known as DCPA) is an organization that consists of a council of 7 executive positions and 10 chapter delegates, as well as a larger community of 1,000+ collegiate women who are active members of the 9 National Panhellenic Conference chapters and 1 associate chapter on campus.

The DCPA executive board is the governing body of DCPA and is a great way to become involved in the Panhellenic Community! There are seven executive positions that oversee and run events such as programming and education modules, philanthropies, study hours, volunteer programs, sisterhoods and recruitment. In addition to these positions, each chapter has an elected representative on the council, each sharing information, concerns, and accomplishments on behalf of their respective chapter. These Panhellenic Delegates are the main route of communication between the council and the chapters.

Philanthropy:

The Davis Collegiate Panhellenic Association is proud to support our philanthropy, Cal Aggie Camp. Cal Aggie Camp is a UC Davis program founded in 1961, and is a free summer camp for foster children in the greater Sacramento area and run entirely by UC Davis students! Many members of the Panhellenic community have become counselors themselves! Each year, the community raises funds to sponsor numerous campers, and helps to provide an amazing summer experience for children who normally do not have such opportunities.

A LETTER FROM

VP and Assistant VP of Recruitment

Dear Potential New Members,

We are so excited for you to be a part of our Panhellenic community here at UC Davis! Here in our Panhellenic community we strive to empower women and inspire our members to empower each other. Recruitment this year is different than anything we've ever done before, but we are working to make it the most enjoyable experience possible. We will continue to make sure that all members of recruitment are safe and in good health. We can't wait for our new members to join our chapters and allow us to be a part of their experience here at UC Davis.

- Be YOU! You will find a home that best fits you in our community if you stay true to yourself and your values.
- Remember your values. Each chapter has different values and it's important to remember yours when making connections in the Panhellenic community.
- Be open and have a positive attitude. Everything will work out the way it is supposed to if you allow all possibilities a chance. Staying positive will bring you one step closer to finding your place in our community.

Just like anything new in life, recruitment can be a scary process, but we promise it'll be worth it in the end! The friends and memories you make during recruitment and after will be with you for the rest of your life. This is the beginning of an amazing chapter! We look forward to seeing how each and everyone of you impacts our Panhellenic Community here at UC Davis.

Panhellenic Love,

Taylor Griffith and Hannah Palchik

RECRUITMENT COUNSELORS

A Pi Rho Chi is also known as a Recruitment Counselor. They serve as a guide and mentor for potential new members as they go through the recruitment process. Before recruitment begins, each PNM will be assigned a Pi Rho Chi who will be their point-of-contact until recruitment is over. Each Pi Rho Chi is a member of a chapter here at Davis, who has disaffiliated from their sorority in order to provide an unbiased support system.

GREEK SPEAK

- **Active Member** - A sorority member currently in college who has been formally initiated by her chapter and actively participates in events.
- **Alumna** - An initiated sorority member who has graduated.
- **Bid** - A formal invitation to join a sorority or fraternity
- **Big** - An active member of the chapter who is paired with a new member as a mentor
- **Chapter** - An affiliated name of an inter/national organization recognized on campus
- **Continuous Open Bidding (COB)** - After the formal recruitment process has ended chapters may continue to offer bids in an informal process
- **Formal Recruitment**- The process by which sororities show Potential New Members their unique, personal attributes. This process is also the chance for a Potential New Member to discover the core values of each specific sorority, and to determine which chapter best aligns with her own personal values.
- **Initiation** - The formal ritual ceremony in which the new member is granted full membership rights and responsibilities of the sorority. These ceremonies are often secret and never involve hazing. Once you are initiated into an NPC sorority, you are not eligible for membership into any other NPC sorority.
- **Legacy** - A PNM whose family member is, or was, an alumnus of a Panhellenic organization. Each chapter has its own definition and policies around legacy status. A sorority is not obligated to extend a bid to legacies.
- **MRABA: Membership Recruitment Acceptance Binding Agreement** - A document that each PNM completes immediately following preference round of events stating her membership preferences. The PNM ranks the chapters she would accept a bid form in preferential order. This is a binding agreement, stating that the PNM is willing to accept a bid from any chapter she lists.
- **NPC: National Panhellenic Conference** - Founded in 1902, NPC provides support and guidance for its 26 members inter/national sororities/women's' fraternities and serves as the national voice on contemporary issues of sorority life. NPC serves as the umbrella organization for Davis Panhellenic.
- **New Member**- A woman who has joined a sorority, but has not yet been initiated as an active member
- **Philanthropy**- an institution or charity that a chapter helps support financially through events held during the school year.
- **Pi Rho Chi or Recruitment Counselors** - A sorority member who has disaffiliated from her chapter during Formal recruitment to assist PNMs through the process.
- **Potential New Member (PNM)**- A woman who is looking to join a sorority, going through the recruitment process

POTENTIAL NEW MEMBER

Bill of Rights!

- The right to be treated as an individual
- The right to be fully informed about the recruitment process
- The right to ask questions and receive true and objective answers from recruitment counselors and active members
- The right to be treated with respect
- The right to be treated as a capable and mature person without being patronized
- The right to have and express opinions to recruitment counselors
- The right to have inviolable confidentiality when sharing information with recruitment counselors
- The right to make informed choices without undue pressure from others
- The right to be fully informed of the NPC Unanimous
- Agreements implicit in the Membership Recruitment
- Acceptance Binding Agreement (MRABA)
- The right to make one's own choices and decisions as well as accepting fully responsibility for the results of those decisions
- The right to have a positive, safe, and enriching recruitment and new member experience

POTENTIAL NEW MEMBER

Code of Ethics

Potential New Member Code of Ethics and Agreement of Mutual Respect at the University of California, Davis College Panhellenic

“We, as Undergraduate Members of women’s fraternities, stand ... for maintenance of fine **standards**...for service through the development of character inspired by the close contact and deep **friendship** of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through **mutual respect and helpfulness**, is the tenet by which we strive to live.”

This is accomplished by abiding to the following agreements:

- A potential new member (PNM) shall attend recruitment orientation and all membership recruitment events for which she receives invitations.
- Respect for the membership recruitment process is expected at all times. This includes respect toward chapter members, recruitment counselors, Panhellenic officers, faculty and staff, chapter members and other potential new members. PNMs should refrain from sexist, homophobic, racist or otherwise abhorrent conversations.
- I understand my rights under the PNM Bill of Rights and if I experience discrimination I know how to report it to the College Panhellenic.
- Potential new members as well as sorority members must do their best to not touch or shake hands in any way. This helps prevent the spread of illness.
- Membership recruitment is a substance-free process. Women may not use or be in the presence of drugs and alcohol during the membership recruitment period. Violation of this rule will result in immediate removal from the membership recruitment process.
- Potential new members should be fully aware of the financial obligations of membership before accepting a bid. It is to the PNM’s advantage to ask questions during recruitment events if there are questions about finances.
- Potential new members agree to treat the chapter videos and virtual recruitment parties as confidential. Potential new members will not share any video or virtual recruitment event, including a video in its entirety, or recordings, clips, screen shots, and/or quotes from video or virtual recruitment event. Potential new members understand that any breach of this agreement could result to disciplinary action.
- Potential new members understand that if they sign a Membership Recruitment Acceptance
- Binding Agreement (MRABA) after preference round, they are bound to that document and the chapter that extends them a bid. This means that the PNM is ineligible for an invitation to membership from another NPC organization until the next primary recruitment on that campus.

Failure to abide by the expectations stated above will result in the review of your status as a potential new member. The first offense will result in a warning from Panhellenic Recruitment Staff. The second offense will result in being released from the 2020 Panhellenic Recruitment process. If the first offense is determined to be severe enough by the Panhellenic Recruitment Staff, a potential new member could be subject to an immediate release from the Panhellenic Recruitment process.

VALUES-BASED RECRUITMENT

What is Values Based Recruitment?

Values Based recruitment is a process where Potential New Members (PNMs) discover which chapter is the best personal fit through the comparison of one's own personal values to the chapter's values.

Why is Values-Based Recruitment important?

Values based recruitment is important because this style of recruitment helps the PNMs develop more in-depth connections with active members through shared interest and values. Moreover, values based recruitment also provides the PNM with a realistic expectation of membership before joining the chapter.

How do I know what my own values are?

Your values are fundamental beliefs that guide your individual actions. These values are ideals that you believe are important in the way you live and work, and these are the beliefs that help determine your priorities in life. On the next page is a list of common values, you will choose five values that you believe are important in your own individual life, and use them as a guide through the process of formal recruitment.

- In what ways does this value appear in your life?
- Is it present in your relationship with others?
- How do you think these values influence your actions?
- How would you like to see this value appear in your sorority experience?

RECRUITMENT CONVERSATIONS

During the recruitment process, you will spend a significant amount of time speaking to active members in each chapter. Here's what to expect and how to get the most out of each conversation!

Open Ended vs. Close Ended Questions

During recruitment, you will come across two types of questions, close ended and open ended. Close ended questions are questions that can be answered with either a yes or no, or a very brief response, such as "where are you from?" or "what is your major?". On the other hand open ended questions are questions that require a more in depth response and encourage a fuller, more meaningful response on behalf of the recipient. Often times, close ended questions can be shaped into open ended questions, turning "where are you from?" into "tell me about your hometown" While close ended questions are appropriate for some situations, it is best to use open ended questions during recruitment in order to receive a more in depth perspective of the chapter and its members each day.

Example Questions To Ask Active Members:

PHILANTHROPY DAY:

- What type of events during the year does your chapter put on to support your philanthropy?
- Are there opportunities for service within the chapter? How are members able to engage with your philanthropy throughout the year?
- Why do you believe your chapter's philanthropy is important?
- What drew you to going through the recruitment process? How did joining a sorority fulfill these expectations?
- How do you balance your membership in a sorority and other commitments in your life?
- How does the sorority support you in your college experience?

SISTERHOOD DAY:

- What type of support has your sisterhood provided during your college experience?
- How does your chapter encourage bonding between your members?
- What do you individually value most about your chapter's sisterhood?

PREFERENCE EVENING:

- How has your membership in the chapter helped you grow as an individual? What has the chapter done to provide you with the opportunity to grow?
- Why is membership in this chapter special? What are the qualities that you believe your members share?
- Has membership in this chapter changed your college experience for the better? If so, how?

RECRUITMENT TIPS

- BE YOURSELF!
- It's very important to be ON TIME!
- Turn off cell phones to avoid unwanted calls during the events.
- Look at each sorority as a whole. Do not just judge it by the one or two women that you meet. Be open to all sororities and what they have to offer.
- TAKE NOTES between rounds about conversations that stuck out to you or women that you really connected with.
- Be assured it is normal to have less than the maximum number of chapters to attend on a given day.
- Make sure to give yourself time to eat and drink water between rounds and get enough sleep!
- Recruitment Counselors are there to help and answer any questions that you have.
- If you have any time conflicts, please report them to your Recruitment Counselor ASAP.
- The sorority women are just as nervous as you are and can't wait to talk to you!

TIME COMMITMENTS & EXPECTATIONS

New Member Education

The New Member Education period begins after Bid Day, and usually lasts between 6-8 weeks, culminating in Initiation. Each chapter has an organized program designed to educate its new members on the history, standards, and overall composition of their organization. These educational sessions are led by the New Member Educator, a sister who has been elected to that position to run the program. Meetings usually occur once a week and are required.

Tip:

You get what you give when it comes to participation in your chapter. Besides, mandatory events, you have the ability to decide how much time and effort you put into your chapter and what you hope to get out of it. While we want you to be as involved as possible, we know that women often have other commitments and jobs!

Active Participation

Along with new member education meetings, you will also be required to attend Chapter Meetings which typically occur once a week. Because of the virtual aspect of Fall Quarter, these meetings will likely occur less frequently. You will also be encouraged to participate in Greek-wide events and philanthropy events that are fun and a great way to meet other members of the Greek Community. In addition to that, each chapter supports a unique philanthropic effort, to which they donate extensive time and money. Chapters host a variety of competitions, events, and fundraisers to support their partner organizations. As a member, you will be expected to support and attend philanthropy events, although this coming year will look different.

ACADEMICS

According to UC Davis Greek Life statistics, the average student in a sorority or fraternity at UC Davis typically has a higher grade point average (GPA) than a non-Greek student.

Even though Panhellenic does not require a specific grade point average to participate in Formal Recruitment, each chapter has a minimum grade point average requirement for membership.

Besides long-lasting friendship, philanthropic success, and an amazing college experience, sorority women at the University of California, Davis strive for excellence in academics.

Many chapters have study hours, mentors, and other sources of programming to enhance their member's academic performance. Many chapters also offer scholarships and recognize success via awards for academic excellence.

_____ I agree that this MRABA and my electronic signature is valid, enforceable, and binding under E-Sign and UETA.

Part 1: Withdrawing or Continuing in Recruitment. Initial one of the following options:

_____ I am continuing in Recruitment. (Next Step: Continue to Part 2.)

Part 2: Show that you understand the ranking process. Initial each statement.

By signing the MRABA, I understand and agree that each of these statements is true:

_____ I am willing to accept an invitation to membership ("bid") from any sorority I list in Part 4.

_____ I will rank each sorority in the order of my preference for receiving a bid.

_____ If I attended a sorority's preference event, and I would not accept a bid from that sorority, I do not have to rank that sorority.

WHAT DOES SIGNING THE MRABA MEAN?

About the MRABA

The document on the previous page is the Membership Recruitment Acceptance Binding Agreement (MRABA). The MRABA is a binding agreement that is effective for one calendar year. By signing this document, you as a Potential New Member agree that you are willing to accept a bid for membership from any sorority that you rank on the MRABA. If you receive a bid from any sorority that you have listed on your MRABA, and you choose not to accept it, you are not eligible to participate in Continuous Open Bidding (COB) for the school year.

Why is Values-Based Recruitment important?

If you receive an invitation to the Preference round, you will make your final selection at the conclusion of your last event. Here you will rank the chapter(s) you visited on Preference Evening Friday in a preferential order. Once you complete your rankings, you will sign a copy of the MRABA. Please note that once the MRABA has been turned in to a representative of Davis Panhellenic, it cannot be altered or changed.

Prior to signing the MRABA, you have several options to consider. We suggest that you thoroughly reflect on these before signing your MRABA.

MRABA Options

1. You may choose NOT to complete the MRABA, thereby withdrawing from recruitment.

If you choose this option, you are eligible to accept a bid for membership from any sororities participating in Continuous Open Bidding. A small number of sororities may be able to recruit a limited number of women through the COB process after Primary Recruitment, however, this is not guaranteed.

2. You may choose to list any sorority whose preference event you attended and from whom you are willing to accept an invitation to membership (a bid).

Please note that you should NOT rank a sorority on your MRABA that you are absolutely not willing to accept a bid for membership. If you match with a sorority that you listed on your MRABA, it is important to note that you are bound to that sorority for one calendar year (until the next Formal recruitment), regardless of whether you officially accept their invitation for membership or not.

3. You may choose to limit your choices to just one sorority whose preference round event you attended and you are willing to accept an invitation to membership.

You must understand that if you chose to single intentional preference, then you are not guaranteed to receive a bid for membership. Only Potential New Members who maximize their options and list ALL of the chapters that they attended during the preference round are guaranteed to receive a bid for membership during Primary Recruitment.

If you do not receive an invitation to membership (a bid) from any of the sororities that you have listed, you are eligible for Continuous Open Bidding (COB).

THE GREEK COMMUNITY AT UC DAVIS

Besides the Davis Panhellenic Council, there are 5 other Greek Councils at UC Davis!

Interfraternity Council

The IFC serves as the governing body for international, national, and local member fraternities. The IFC is an affiliate of the North American Interfraternity Conference, a nationwide network of 66 fraternities comprising over 5500 chapters on 800 US colleges and universities. The IFC works to assist and strengthen fraternities individually and collectively, develops policy, promotes educational programming, coordinates community service efforts, and furthers intellectual accomplishment and scholarship. Each Fall IFC holds a coordinated Rush Week for all men interested in going Greek.

[@ucdavisifc](#)

Professional Sorority and Fraternity Council

The Professional Sorority and Fraternity Council (PSFC) was founded to foster community, collaboration and a campus presence for fraternal organizations with strong ties to academic programs and community service. The council leadership seeks to bridge the gap between the faculty at UC Davis and the greater sorority and fraternity community while providing opportunities to assist all members in transitioning from being a student to being a full-time working professional or pursuing graduate work.

[@psfc.at.ucd](#)

National Pan-Hellenic Council

The National Pan-Hellenic Council, or NPHC, serves as an umbrella organization for the historically African American sororities and fraternities at UC Davis. The groups on the council are representative chapters of the Divine Nine, which make up the council nationally and are represented throughout the country.

FREQUENTLY ASKED QUESTIONS

Which Panhellenic sororities participate in formal recruitment?

There are 10 Panhellenic sororities here at UC Davis. 9 are NPC organizations and participate in the entire Formal Recruitment process and 1 is an associate member (Sigma Alpha Epsilon Pi) and have their separate recruitment process. You can get more information about all of our chapters on the Panhellenic website under the Chapters tab. <https://www.davispanhellenic.org/>

How does a woman join/how does sorority recruitment work?

Sorority recruitment varies from campus to campus, so a friend at a different school may have a completely different experience than you. Here at UC Davis, you have choices for the type of recruitment that you can go through to join a chapter:

Formal Recruitment Process: Formal recruitment is the only opportunity to meet women from 9 Panhellenic Chapters at once. Through a mutual selection process, you will go to the houses who think you will be a good fit for them and ones that you believe will be a good fit for you. Every day you will return to two less houses, as you narrow down which chapter has values similar to yours. The days include Go Greek Days, Philanthropy Day, Sisterhood Night, and Preference Night. The events of Formal Recruitment conclude with Bid Day. On the last night of recruitment, you will pick a first and alternate choice. If your top choice extends you a bid, or second choice if your first did not, that is the Sorority in which you are now affiliated with.

Continuous Open Bidding (COB) Process (also referred to as "informal recruitment"): COB takes place outside the primary recruitment process. Generally, not all chapters will have COB any given quarter and the ones that do, generally do not have it at the same time as one another. It is unpredictable if any given chapter will participate in informal recruitment at any given time, if ever.

What are Pi Rho Chis?

Pi Rho Chis are Panhellenic women who have disaffiliated from their chapters for the week of Formal Recruitment. They act as guides for the women going through recruitment.

Does everyone get a bid?

The purpose of the recruitment process is to allow you and the chapters to mutually decide on the best fit. The reality is not everyone who goes through recruitment finds a match, but every effort is made to provide opportunities for involvement to any young woman who is interested in the sorority experience.

FREQUENTLY ASKED QUESTIONS CONT'D

What if I have class during a recruitment round?

Please fill out a schedule conflict form ASAP if you have a time conflict due to an academic or work commitment, and we will work to adjust your schedule accordingly.

Conflict form: <https://www.davispanhellenic.org/general-8>

How do I register for recruitment?

You need to register in order to take part in the sorority recruitment process and you should make sure to keep an eye on the deadlines. You can sign up here:

<https://www.davispanhellenic.org/home>

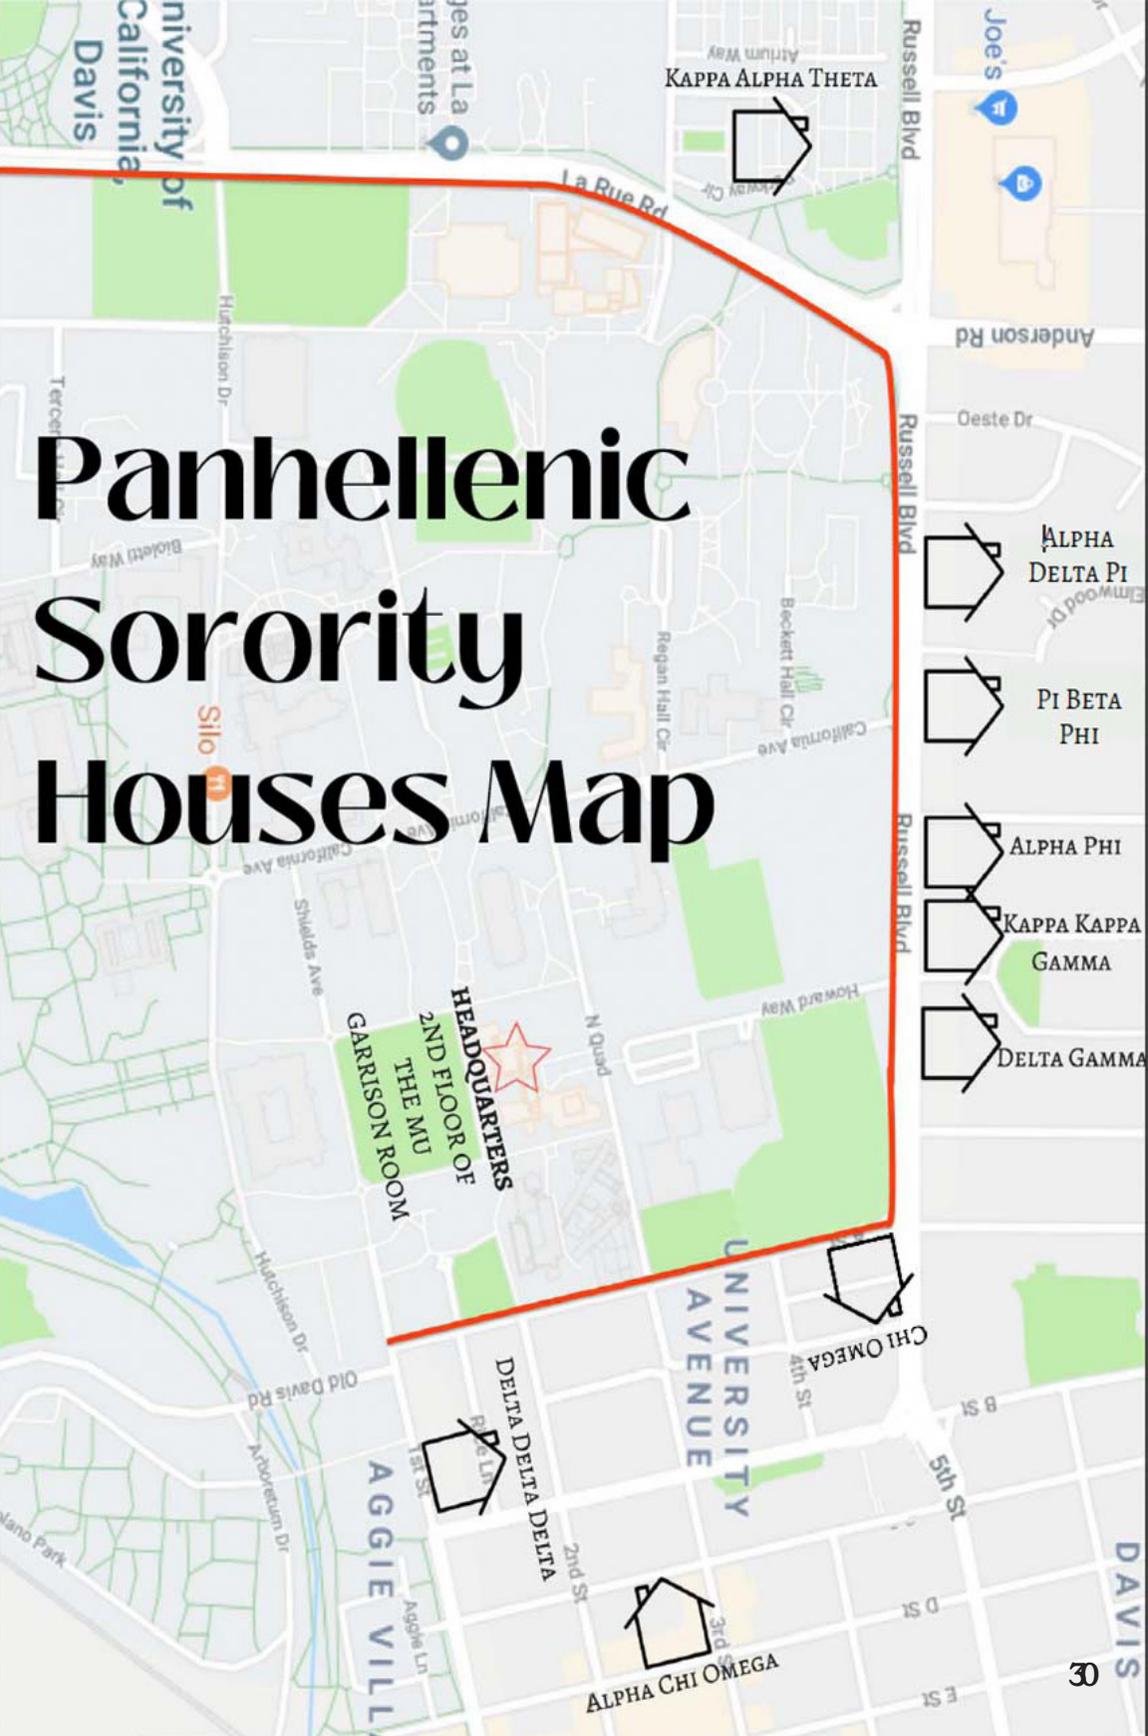

Is there hazing?

UC Davis has a strict absolute no hazing policy.

Is it hard to balance sorority membership and academics?

Many Greek women are able to balance academics, jobs, sorority membership, athletics, and other activities on campus. Greeks are the most involved people on campus and gain a lot of connection through all the activities they participate in. Being in a sorority offers a support system for members to study with each other, meet professors, and other resources to succeed in school. Women affiliated with Greek life have some of the most competitive GPAs on campus, higher than the school's average

Finance Information

Please Note:

1. These dues may be subject to change

3. Fees quoted are based on estimates at the time of document preparation. Chapter payment plans may be offered; please discuss financial questions with the chapter finance officer.

Financial Definitions

Member Organization Fees

- **Badge fee** - Each member organization has a badge/pin. Some organizations require a member to purchase a badge and others include it in the initiation fee. Badges may be very simple or jeweled. If a member is purchasing her badge, she determines how much or little she would like to spend.
- **Per capita fee** - Fee paid to inter/national organizations per member to support overall sorority operations.
- **Technology fee** - These funds support the member organization database, social media and other technologies.

Chapter Fees

- **Assessment:** A chapter may vote to support an activity/event/cause that is not included in the chapter budget and the expense would be assessed per member.
- **Campus obligation:** These funds are used when a chapter is asked to donate funds to other organizations and/or fundraising opportunities on campus.
- **Chapter dues:** These monies fund member activities including programming, recruitment, chapter supplies and chapter operations.
- **Composite:** An annual photograph is taken of each chapter's membership. This expense can be included in chapter dues or billed separately.
- **Initiation fee:** Fee paid to finalize initial membership in the organization.
- **Liability/risk management insurance:** This fee covers insurance-related costs for the safety of members, their guests and sorority property. Funds may also be used for special programming relating to risk management concerns on campus or within the chapter.
- **New member fee:** Fee paid to establish membership in the organization.
- **Panhellenic dues:** These funds are used to support Panhellenic operations. Examples of items that may be included in the Panhellenic budget are attending conferences, office operations, marketing and electronic media.
- **Parking permit:** Parking is typically limited at chapter houses. Spaces are allocated by each chapter to members based on criteria set by the leadership and/or chapter corporation.
- **Philanthropy fee:** Each chapter has a philanthropy and some have local causes they support. This fee can be included in chapter dues or billed separately.
- **Purchase fund:** This fund is set up at the beginning of each term to pay for things not included in chapter dues. It may be used to purchase T-shirts, sorority paraphernalia or attend optional social functions.
- **Social fees:** Social functions not included in chapter dues are billed out individually based upon the cost of event(s).

Facility Fees

- **House corporation fee:** These funds are used to support chapter property and physical plant. Often this is a one-time fee paid prior to initiation.
- **Parlor/House usage fee:** The entire membership has access to the house and thus the property is subject to a great deal of wear and tear. This fee is used primarily for care and maintenance of the property and furnishings in the common areas of the chapter facility.
- **Security fee:** Special security staff may be employed to protect chapter property, members and guests. Typically, all members, not just those living in the house, would be asked to help cover this expense.
