Panhellenic President

NICOLE MIQUILARENA

Hi everyone!!

I'm Nicole, your current DCPA President! I am a junior here at UC Davis studying Psychology with a minor in Spanish. I am so excited and honored to be taking this position. I can't wait to lead my community in bringing all of our Greek life chapters together here at Davis. We are all greater than the individual chapters we each belong to. UC David Panhellenic is a wonderful community that is full of diverse, intelligent, and inspiring women. I hope to continue fostering the strong bonds and connections that make Davis Panhellenic so special. I'm committed to creating a community that every member is proud to be a part of, and I seek to honor the philanthropic, professional, and academic achievements.

I came to UC Davis from Miami, Florida, and Davis Panhellenic helped me find a supportive environment thousands of miles away from home. It gave me my lifelong friends and the opportunity to grow and flourish into the strong leader I am today. I can't envision my college experience without being a part of both my chapter and the greater Panhellenic community, and I am eternally grateful for the opportunity to give back to the group of empowering women who have given so much to me. When I went through recruitment as a first-year, I was nervous and had no idea what to expect. I didn't know where accepting my bid would take me, and how it would truly change my life forever. I have had invaluable experiences and found a place filled with so much love. I believe that there is a place for everyone in this community, and I can't wait to see the impact we will all make!

Love, Nicole
